HEAVY SNOW IN COLORADO

Song by Bow 'N' Arrow

April 2021

Love, like the
arrow of time,
moves in only
one direction... outwards. it radiates.
I have regretted many things in life
but love was never part of them.

HEAVY SNOW IN COLORADO

life is so fragile..
once is broken you can't go back

this is a nostalgia
for a place that never
will be.

Will I ever be home?
Or is it just a
fairytale for children?
Sometimes I feel like
I could fade away.
